¹ **Business Advantage Cash Rewards Program Summary.** Please read your credit card program rules and new account materials which will be mailed to you after your account is established. Business Advantage Cash Rewards Program Rules govern the Cash Rewards program, including any bonus features. **How You Earn Cash Rewards:** Cash Rewards are earned when your card is used to make purchases less any credits, returns and adjustments ("Net Purchases"). The following transactions are not considered purchases and will not earn cash rewards: Balance Transfers and Cash Advances (each as defined in your Business Card Agreement), fees, finance charges, fraudulent transactions and certain other charges. **1% Base Cash Rewards:** Earn 1% cash back (equal to \$0.01) for every \$1 of Net Purchases made with the card. **2% Bonus Category:** Earn a total of 2% cash back (equal to \$0.02, consisting of 1% bonus cash rewards and 1% base cash rewards) for every \$1 of Net Purchases made at participating Dining merchants, which include: restaurants and quick service restaurants (fast food), bars, taverns, lounges and discos, but do not include merchants that are bakeries, coffee shops, grocery stores, and other miscellaneous food stores that may operate a restaurant inside their premises. **3% Bonus Category:** Earn a total of 3% cash back (equal to \$0.03, consisting of 2% bonus cash rewards and 1% base cash rewards) for every \$1 of Net Purchases made at eligible merchants in the one Choice Category you have selected. Eligible merchants would include merchants whose primary line of business falls under the following Choice Categories: Gas Stations (default), Office Supply Stores, Travel, TV/Telecom and Wireless, Computer Services, or Business Consulting Services. When the new account is opened the default Choice Category is Gas Stations. Gas Station merchants include merchants that primarily sell fuel for consumer use and may or may not have a convenience store, car wash, or automotive repair shop on the premises, and include merchants that process credit card transactions by requiring customers to present the card to an attendant and sign a sales draft or enabling cardholders to purchase fuel by completing the transaction at the pump and excludes gasoline purchased at boat marinas, as well as fuel dealers whose primary line of business is the sale of heating oil, propane and other fuels, such as kerosene. A new Choice Category selection can be made only once per calendar month; however, if no change is made the default or selected category will remain the same. Choice Category changes can be made by the Owner/Guarantor and Authorized Contact, and can only be made via Online Banking or the Mobile Banking application. Additional information can be found at bankofamerica.com/choosemycategory/ business. A purchase qualifies for the bonus based on the merchant category code (MCC) assigned to the merchant. We do not determine which MCC a merchant is assigned. **Bonus Category Cap:** Dining and Choice Category Net Purchases earn bonus cash rewards on the first \$50,000 of combined Net Purchases made each calendar year (January 1 to December 31). Once the \$50,000 calendar year cap is reached, additional Net Purchases will earn the base cash rewards of 1%. **Bonus Category Processing:** Merchants are assigned an MCC based on the merchant bank's understanding of the merchant's business, which is information usually provided by the merchant. We group similar MCCs into purchase categories to offer bonus rewards to you. Some purchase transactions performed at seemingly eligible merchants may not qualify for bonus rewards. For example, purchases processed through merchants that do not process transactions under an eligible MCC, purchases processed through a third-party payment account, a mobile/wireless card reader, or a digital wallet (or similar technology) not supported by Bank of America may not support transmission of an MCC and thus will not qualify to receive bonus rewards. **Rewards Redemption:** There is no annual cap on rewards redemption. Cash Rewards are redeemable on demand as described in more detail in the Program Rules. Cash Rewards may not be combined with other discount or reward programs, unless specifically authorized by us. You are responsible for determining any tax liability arising from participation in the Program. Consult your tax advisor concerning tax consequences. Your company may be issued an Internal Revenue Service Form 1099 (or other appropriate form) that reflects the value of such rewards. **Rewards Expiration:** As long as your account remains open and has active charging privileges, cash rewards do not expire. Cash Rewards checks expire 90 days after date of issue. **Rewards Forfeiture:** If the owner(s) of the card account voluntarily closes the account, or if for any reason we close the card account, any unredeemed cash rewards associated with the account are subject to immediate forfeiture, unless specifically authorized by us. **Rewards Program Rules:** Program Rules containing additional details will be sent to you with your new account materials. Other significant terms apply. Program subject to change without notice. 119SBLLCRChoice:1119
